Generative Personality

The great teacher
inspires.

Who inspired
You?

Why
Inspire?

We do not want
reluctant learners
to live reluctant lives.

We want our students to live
their lives from a position of
Strength.

What are the root problems?

helplessness

No reason to
be

Short-sightedness

Lack of Hope

No vision

Poor Attitude

Inaccurate concept of
self

No perseverance

We are required to teach
many of our students ...

...how to live...

...because, too often,
no one else has.

Inspiration

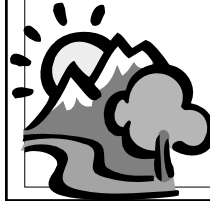

Someone once asked Socrates, "What is the best way to get to Mt. Olympus?"

Socrates answered, "By making sure that every step you take is in the right direction."

QUOTES

"A knight proves his worthiness through his deeds." - Kevin Dillon in *The Mighty*

"The reason most people fail instead of succeed is they trade what they want most for what they want at the moment."

Don't let what you can't do get the way of what you can do.
